about the printed guide . . .

We are now organizing the 2017-2018 Fall / Winter Holiday edition of the BrooklynNow Guide, featuring extraordinary independent businesses in the near-city neighborhoods of Brooklyn. We are the experts in helping new customers discover your business.

BrooklynNow offers . . .

A small price for excellent results

With a minimal staff who do-it-all, we have managed to keep our prices well below standard advertising rates offering a successful venue for local businesses to **gain new customers** and **maintain neighborhood visibility**.

A focus on local, independent businesses

We solely exist as an outlet to **promote unique, independent businesses**.

An extensive distribution blanket

The BrooklynNow Guide is **distributed to over 500 neighborhood locations** including most participating businesses, local gathering places, tourist centers and hotels. (See full distribution list included.)

Excellent cross-neighborhood promotion

Because the BrooklynNow Guide contains eleven different adjacent area guides to 25 Brooklyn neighborhoods, it **works well to bring customers across neighborhood borders**.

Free website inclusion

BrooklynNow.com is our online version of the printed publication. Just google “brooklyn guide” and we come up number one every time!
